## MISSION STATEMENT

The mission of the foundation is to “help better the lives of abused and at-risk children; and to build community awareness regarding the needs of children”.

Marcie was a beautiful, fun loving, young woman whose happy demeanor and positive outlook on life was apparent to everyone who met her. Marcie's compassionate and loving nature drew her to those who needed help, especially children.

On July 6, 2002 Marcie died tragically in an automobile accident. Although she was only 21 at the time of her death, Marcie had experienced many things and touched the lives of many people.

The Foundation was established by Marcie's family as a tribute to her life and to continue her commitment to help children in need.

Proceeds will establish Huntington YMCA Summer Camp Scholarships and benefit New York Organ Donor Network and Splashes of Hope.
